The authors regret that a typographical error appeared in the above paper on page 1756, first column, lines 8–9. The authors apologise for any inconvenience caused, and the correct lines should read as follows:

Our estimate of  $\delta^{11}\text{B}_{\text{sw}}$  of  $39.8 \pm 0.4\text{‰}$  (2 SD,  $n = 30$ ) is independent of sample size and is in agreement with published values of  $39.6 \pm 0.2\text{‰}$  (2 SD) (Foster et al., 2010) and  $39.7 \pm 0.6\text{‰}$  (2 SD) (Spivack and Edmond, 1987).
