<https://doi.org/10.1007/s10618-023-00972-2>

In this article the statement after Equation 1 had an error in the published version.

Please refer the correction as follows:

“where $\nu = T_{\#}\mu$ and $T_{\#}$ is the push-forward of μ along the function $T : X \rightarrow Y$ ” was incorrectly written as “where $T_{\#}$ is the push-forward of μ along the function $T : X \rightarrow Y$. Furthermore, Equation 1 itself was incorrectly formulated. Namely, the integral should have been over X and not over $X \times Y$.”

The original article has been corrected.
