

(Flavor Flav)

Well two bees in a bucket
Mother motherfuck it
You either Flavor Flav it
Or you Chuck Chuck Chuck it
Kiss my ass or suck a D.I.C.-
K. stands for kill so don't fuck with me
I fucked that lady in the bed
I missed that pussy and I bust a spread
I tried it again in a thumping wagon
The bottom fell out and her ass started dragging
Tried it again and I failed to grasp
I missed that pussy and I bust my ass
Then I fucked this lady in the tree
The baby came out and said "Run-DMC"

(Ice Cube)

I knew this girl who looked just like you
Light brown and a fly hair-do
I wanted to do her, screw her
So I stepped to her
On-key bitch had more ass than a donkey
I said you're the type of girl that I can't pass over
Give me one chance and I'll bend your ass over
Just call me the plumber at the end of the night
Cause a nigga like me'll lay plenty of pipe
She didn't get offended it was splendid to me
Cause mister nice guy is what I pretended to be
I guess I just wine her and dine her
And by the end of the night I'll be behind her
Waxing that ass like Rain Dance
On the bumper get the pussy then I dump her
Took her to the Comfort Inn
Tucked her in
Pulled out the third leg pumped it in
She said will you call me
Yeah I'll call you a bitch or a hoe after I ball ya
Naw I'm just playin but it's still the same
Cause a nigga like Ice Cube is only out for one thang
