

My world it moves so fast today  
The past it seems so far away  
And I squeeze it so tight, I can't breathe  
And every time I try to be  
What someone has thought of me  
So caught up, I wasn't able to achieve  
But deep in my heart the answer it was in me  
And I made up my mind to find my own destiny  
I look at my environment  
And wonder where the fire went  
What happened to everything we used to be  
I hear so many cry for help  
Searching outside of themselves  
Now I know His strength is within me  
And deep in my heart the answer it was in me  
And I made up my mind to find my own destiny  
And deep in my heart the answer it was in me  
And I made up my mind to find my own destiny
