

listen homeboys don't mean to bust your bubble  
but girls of the world ain't nothing but trouble  
so next time a girl gives you the play  
just remember my rhyme and get the hell away

Just last week when I was walking down the street  
I observed this lovely lady that I wanted to meet  
I walked up to her I said hello  
she said you're kind of cute I said yes I know  
but by the way sweetheart what's your name  
she said my friends like to call me exotic Elaine  
I said my name is the Prince and she said why  
I said well I don't know I'm just a hell of a guy  
but enough about me yo let's talk about you  
and all the wonderful things that you and I can do  
I popped some cash and in a little bit of time  
I showed some cash and the girl was mine  
I took her over town I wined her and dined her  
she ask me did I like her I said well kinda  
all of a sudden she jumped out her seat  
snatched me up by my wrist and took me out to the street  
she started grabbin all over me kissing and hugging  
so I shoved her away I said you better stop buggin  
she got mad looked me dead in my face  
threw her hands in the air and yelled out rape  
I got scared when she started to yell  
so I handed her my wallet and ran like hell  
I was duckin through alleys right and left  
but when the cops caught up they almost beat me to death  
I was arrested charged with agrivated assault  
(yo Clancy we got him)  
but it wasn't my fault

nevertheless don't mean to bust your bubble  
but girls of the world ain't nothing but trouble  
so next time a girl gives you the play  
just remember my rhyme and get the hell away

I was in a bar one Friday night  
cooling watching a Mike Tyson fight  
I was maxin and relaxin sippin on Tequilla  
when this girl walked up she said hi my name is Sheila  
I responded by saying hello  
she paid for my drink and then said let's go  
20 minutes later things were starting to cook  
as we pulled up into her house I said I'm with you toots  
the music was soft and there was wine in the glasses  
she started winking and making little passes  
at me she pat me close that's when she got bold  
she started feeling up my back I said oh your hands are cold  
we went to her bedroom thinking of one thing

took the phone off the hook to avoid the annoying ring  
I carressed her body and I kissed her cheek  
and that's when I observed those satin bed sheets  
I felt that it was time for me to make my move  
I thought I better hurry up before I busted a groove  
I leaned down to kiss her but then out of the blue  
a door slammed and a voice said baby where are you  
her boyfriend busted in he grinned an evil grin  
and said boy I'm a tear your butt limb from limb  
I was scared as hell where I was supposed to go  
I just yelled geronimo and jumped out the window  
just my luck we were in a snow storm  
and all I had was my underwear on to keep my warm  
and to top the night off I had to break in my place  
because my keys were on pants back on Sheila's book case  
I was done sneezing and coughing  
I hope this doesn't happen to often

but nevertheless don't mean to bust your bubble  
but girls of the world ain't nothing but trouble  
so next time a girl gives you the play  
just remember my rhymes and get the hell away

Jazzy: yo man you think they see your point

until Betty's mon said Betty's not ready yet  
I sat there for at least an hour  
it was ten after nine before she got in the shower  
9:35 she comes downstairs  
and said I need a little longer to finish my hair  
at ten o'clock we had then missed the show

I was steamin like a demon as I drove home  
but it just goes to show

not trying to bust your bubble  
but girls of the world ain't nothing but trouble

so next time a girl gives you the play  
just remember my rhyme just remember my rhymes
