

Big mike:

This goes out to you h-o-es  
Swangin on the nuts of us motherfuckin gs  
You ain't never seen a nigga like me baby  
Big mike aka big d d  
Big dick daddy  
Droppin you hoes in a sec  
Bustin nut after nut on your motherfuckin back  
If your nigga wants to make love to you, cool let a nigga know  
Cause a nigga like myself just wana fuck you hoe  
And if you don't want him to know I won't snitch  
You can be his girl but you know you'll always be my bitch  
My freak my hoe my tramp my moneymaker  
Keep yo bitch right or a nigga like myself will take a smooth  
Off the s-l-a-b  
And why you trippin you know your bitch will be rollin with me  
So to ladies and everyone throughout your crew  
Give a smile in the mean watch out  
This dick is for you

Chorus:

I, bitch I just want to fuck you  
Dick, sucked the whole night through  
Ass, licked as if I was a star  
This dick is for you baby  
Wherever you are, hey

Bushwick:

Bitches I scoop them up like jacks  
Stack them like racks and send them home with their pussy off tracks  
Cause they be figuring me to be a light weight  
But if it gets to be in the bed than that's ok  
Cause when I get them, I'm doin damage to that pussy hole  
Not only do I fuck the body, but I fuck the soul  
What other nigga do you know that can handle this  
Hijack the pussy from the back and dismantle it  
It sounds kind of difficult, but it ain't  
The only difficulty that occurs is when the pussy's stank  
Cause then I'm a have to send you home and throw you in a ditch  
Or leave you for the garbage man you unsanitary bitch  
So spread your legs wide open boo  
And let a nigga like me get down, cause this dick is for you

Chorus:

Scarface:

Bitches say I talk bad cause I'm real  
And to me expressin myself is tellin a bitch just how I feel  
I had a couple of women in my life but yo  
In 1992 I realized that they was hoes  
Cause hoes will straight up do hoe shit

Bitches even more shit  
And ladies will give you no shit  
So I kicked back and played the hand that I was dealt  
Pete gave me the mix and let these hookers play themselves  
Cause 80 percent of the bitches I meet ain't shit but money bandits  
I front like I'm givin them? ?  
To dickin that ass and leavin them standin  
But for women, I got a better tactic cause I love them  
They come to mr. brad cause their mistreated by their husbands  
So I hook up shit to make it right  
Just call me tonight  
And I'll make sure that everything runs tight  
Cause if he don't appreciate you boo  
The way that I do  
You need to let him run back to his crew  
Cause he don't understand what you goin through  
But regardless to who I screw  
This dick is for you

Chorus:
